

PRODUCT

TARACLEAN is a formulation of high efficiency organic solvents to removes stubborn stains on Taraflex®. Can be used on residual traces after carrying out the cleaning protocol for Taraflex® sports flooring.

Packaging		400 ml aerosol
Product color		Colourless
Odour		Caracteristic odour
Implementation		Shake the aerosol well before use, spray in thin layers about 30cm from the surfaces to be cleaned. Leave to act for max 10min. Wipe off with a white cloth and rinse. As a precaution, carry out a preliminary test. Do not apply TARACLEAN on painted coverings as this may alter or completely erase this hinge. Do not allow the product to dry on the floor.
Storage		Protect from sunlight and do not expose to temperature exceeding 50°C. Keep away from all sources of ignition.
Safety		The Safety Data Sheet is available on request
Code		085A0010
