

# Gerfix Spray Adhesive Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom

2012 Date of issue: 03/16/2015 Revision date: 01/25/2023

| SECTION 1: Identification of the s   | substance/mixture and of the compan   | y/undertaking |                       |
|--|---|---------------|-----------------------|
| 1.1. Product identifier  |   |               |                       |
| Product name   | : Gerfix Spray Adhesive   |               |                       |
| Product code   | : Not available   |               |                       |
| 1.2. Relevant identified uses of the s   | ubstance or mixture and uses advised against  |               |                       |
| Use of the substance/mixture   | : Adhesive  |               |                       |
| 1.3. Details of the supplier of the safe   | ety data sheet  |               |                       |
| Manufacturer<br>Spray-Lock, Inc.<br>5959 Shallowford Road Suite 405<br>Chattanooga, TN 37421 - USA<br>T 423-305-6151<br>info@spraylock.com | <b>Distributor</b><br>Gerflor USA<br>750 Veterans Park<br>Bolingbrook, IL 604<br>USA<br>T 1-877-437-3567            |               |                       |
| 1.4. Emergency telephone number  |   |               |                       |
| Emergency number   | : CHEMTREC: 1 (800) 424-9300  |               |                       |
| SECTION 2: Hazards identificatio   | n   |               |                       |
| 2.1. Classification of the substance of  | or mixture  |               |                       |
| GHS-US classification  |   |               |                       |
| Gases under pressure - Dissolved gas   |   |               |                       |
| 2.2. Label elements  |   |               |                       |
| GHS-US labelling<br>Hazard pictograms (GHS-US)   |   |               |                       |
|  | GHS04   |               |                       |
| Signal word (GHS-US)   | : Warning   | if bootod     |                       |
| Hazard statements (GHS-US)<br>Precautionary statements (GHS-US)  | <ul> <li>Contains gas under pressure; may explode</li> <li>Protect from sunlight. Store in a well-ventil</li> </ul> |               |                       |
|  | <b>,</b>  |               |                       |
| 2.3. Other hazards   |   |               |                       |
| No additional information available.   | 2)  |               |                       |
| 2.4. Unknown acute toxicity (GHS-US  | 5)  |               |                       |
|  |   |               |                       |
| SECTION 3: Composition/informa   | ation on ingredients  |               |                       |
| 3.1. Substance   |   |               |                       |
| Not applicable.  |   |               |                       |
| 3.2. Mixture   |   |               |                       |
| Name   | Product identifier  | %             | GHS-US classification |

10 - 30

Flam. Gas 1 Liquefied gas

\* The exact percentage (concentration) of composition has been withheld as a trade secret in accordance with paragraph (i) of §1910.1200.

(CAS No) 75-37-6

1,1-Difluoroethane

# Gerfix Spray Adhesive Safety Data Sheet

| Safety Data Sheet<br>ccording to the Hazard Communication Standard (CF | R29 1910.1200) HazCom 2012   |
|--|--|
| SECTION 4: First aid measures  |  |
| 4.1. Description of first aid measures                                 |  |
| First-aid measures after inhalation                                    | If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical advice/attention if you feel unwell.   |
| First-aid measures after skin contact                                  | In case of contact, immediately flush skin with plenty of water. Call a physician if irritation develops and persists.   |
| First-aid measures after eye contact                                   | : In case of contact, immediately flush eyes with plenty of water. Remove contact lenses, if worn. If irritation persists, get medical attention.  |
| First-aid measures after ingestion                                     | : If swallowed, do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. Get medical advice/attention if you feel unwell.  |
| 4.2. Most important symptoms and eff                                   | ects, both acute and delayed   |
| Symptoms/injuries after inhalation                                     | : May cause respiratory tract irritation.  |
| Symptoms/injuries after skin contact                                   | : May cause skin irritation. Symptoms may include redness, drying, defatting and cracking of the skin.   |
| Symptoms/injuries after eye contact                                    | : May cause eye irritation. Symptoms may include discomfort or pain, excess blinking and tear production, with possible redness and swelling.  |
| Symptoms/injuries after ingestion                                      | : Not a normal route of exposure. May be harmful if swallowed. May cause stomach distress, nausea or vomiting.   |
| 4.3. Indication of any immediate media                                 | cal attention and special treatment needed   |
|  | of accident or if you feel unwell, seek medical advice immediately (show the label or SDS where possible).   |
| SECTION 5: Firefighting measures                                       |  |
| 5.1. Extinguishing media   |  |
| Suitable extinguishing media   | : Powder, water spray, foam, carbon dioxide.   |
| Jnsuitable extinguishing media   | : None known.  |
| 5.2. Special hazards arising from the s                                |  |
| Fire hazard  | : Products of combustion may include, and are not limited to: oxides of carbon.  |
|  |  |
| 5.3. Advice for firefighters   |  |
| Protection during firefighting   | : Containers may explode when heated. Keep upwind of fire. Wear full fire fighting turn-out gear (full Bunker gear) and respiratory protection (SCBA). Use water spray to keep fire-exposed containers cool.   |
| SECTION 6: Accidental release me                                       | asures   |
| 6.1. Personal precautions, protective of                               | equipment and emergency procedures   |
| General measures   | : Use personal protection recommended in Section 8. Isolate the hazard area and deny entry to unnecessary and unprotected personnel. Eliminate sources of ignition. Ruptured cylinders may rocket.   |
| 6.2. Methods and material for contain                                  | ment and cleaning up   |
| For containment  | <ul> <li>Contain and/or absorb spill with inert material (e.g. sand, vermiculite), then place in a suitable<br/>container. Do not flush to sewer or allow to enter waterways. Use appropriate Personal<br/>Protective Equipment (PPE).</li> </ul>  |
| Methods for cleaning up  | : Scoop up material and place in a disposal container. Provide ventilation.  |
| 6.3. Reference to other sections                                       |  |
| See section 8 for further information on protec                        | tive clothing and equipment and section 13 for advice on waste disposal.   |
| SECTION 7: Handling and storage  |  |
| 7.1. Precautions for safe handling                                     |  |
| Precautions for safe handling  | Keep away from sources of ignition No smoking. Avoid contact with skin and eyes. Avoid breathing vapour or mist. Do not swallow. Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50 °C. Do not pierce or burn, even after use. When using do not eat, drink or smoke. |
| Hygiene measures   | : Launder contaminated clothing before reuse. Wash hands before eating, drinking, or smoking.  |
| 7.2. Conditions for safe storage, inclu                                | ding any incompatibilities   |
| Storage conditions   | : Keep locked up and out of reach of children. Keep from freezing. Store away from direct sunlight or other heat sources. Store in dry, cool, well-ventilated area.  |
|  |  |

| 7.3. Specific end u | se(s) |
|---------------------|-------|
|---------------------|-------|

Not available.

## **Gerfix Spray Adhesive**

SECTION OF DE

Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012

| SECTION 8: Exposure controls/personal protection |                |  |
|--|----------------|--|
| 8.1. Control parameters                          |                |  |
| 1,1-Difluoroethane (75-37-6)                     |                |  |
| ACGIH  | Not applicable |  |
| OSHA   | Not applicable |  |

| 8.2. Exposure controls           |  |
|----------------------------------|--|
| Appropriate engineering controls | : Use ventilation adequate to keep exposures (airborne levels of dust, fume, vapor, etc.) below recommended exposure limits.   |
| Hand protection                  | : Wear suitable gloves.  |
| Eye protection                   | : Safety glasses or goggles are recommended when using product.  |
| Skin and body protection         | : Wear suitable protective clothing.   |
| Respiratory protection           | In case of insufficient ventilation, wear suitable respiratory equipment. Respirator selection<br>must be based on known or anticipated exposure levels, the hazards of the product and the<br>safe working limits of the selected respirator. |
| Environmental exposure controls  | : Maintain levels below Community environmental protection thresholds.   |
| Other information                | Do not eat, smoke or drink where material is handled, processed or stored. Wash hands carefully before eating or smoking. Handle according to established industrial hygiene and safety practices.   |

| SECTION 9: Physical and chemical           | properties               |
|--|--------------------------|
| 9.1. Information on basic physical and     | chemical properties      |
| Physical state                             | : Gas/Pressurized Liquid |
| Appearance                                 | : Clear                  |
| Color                                      | : White                  |
| Odor                                       | : Sweet                  |
| Odor threshold                             | : No data available      |
| рН   | : 5.5 - 7.5              |
| Relative evaporation rate (butylacetate=1) | : No data available      |
| Melting point                              | : No data available      |
| Freezing point                             | : No data available      |
| Boiling point                              | : No data available      |
| Flash point                                | : No data available      |
| Auto-ignition temperature                  | : No data available      |
| Decomposition temperature                  | : No data available      |
| Flammability (solid, gas)                  | : Not flammable          |
| Vapor pressure                             | : No data available      |
| Relative vapor density at 20 °C            | : > 1 (Air = 1)          |
| Relative density                           | : 1.03                   |
| Solubility                                 | : Miscible               |
| Partition coefficient: n-octanol/water     | : No data available      |
| Log Kow                                    | : No data available      |
| Viscosity, kinematic                       | : No data available      |
| Viscosity, dynamic                         | : No data available      |
| Explosive properties                       | : No data available      |
| Oxidising properties                       | : No data available      |
| Explosive limits                           | : No data available      |
| 9.2. Other information                     |                          |
|  |                          |

No additional information available.

#### SECTION 10: Stability and reactivity

10.1. Reactivity

No dangerous reaction known under conditions of normal use.

### **Gerfix Spray Adhesive**

#### Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012

#### 10.2. Chemical stability

Stable under normal storage conditions. Contents under pressure. Container may explode if heated. Do not puncture. Do not burn. Keep in a cool place.

#### 10.3. Possibility of hazardous reactions

No dangerous reaction known under conditions of normal use.

#### 10.4. Conditions to avoid

Heat. Incompatible materials. Sources of ignition.

#### 10.5. Incompatible materials

Oxidizers. Nitrates. Chlorine bleach.

#### **10.6.** Hazardous decomposition products

May include, and are not limited to: oxides of carbon.

| •  |   |
|--|---|
| <b>SECTION 11: Toxicological informati</b>         | on  |
| 11.1. Information on toxicological effects         |   |
| Acute toxicity                                     | : Not classified.   |
| Gerfix Spray Adhesive                              |   |
| LD50 oral rat                                      | > 2000 mg/kg  |
| LD50 dermal rat                                    | No data available   |
| LC50 inhalation rat                                | No data available   |
| 1,1-Difluoroethane (75-37-6)                       |   |
| LC50 inhalation mouse                              | 977 g/m³/2h   |
| Skin corrosion/irritation                          | : Based on available data, the classification criteria are not met. |
| Serious eye damage/irritation                      | : Based on available data, the classification criteria are not met. |
| Respiratory or skin sensitisation                  | : Based on available data, the classification criteria are not met. |
| Germ cell mutagenicity                             | : Based on available data, the classification criteria are not met. |
| Carcinogenicity                                    | : Based on available data, the classification criteria are not met. |
| Reproductive toxicity                              | : Based on available data, the classification criteria are not met. |
| Specific target organ toxicity (single exposure)   | : Based on available data, the classification criteria are not met. |
| Specific target organ toxicity (repeated exposure) | : Based on available data, the classification criteria are not met. |

# Aspiration hazard: Based on available data, the classification criteria are not met.Symptoms/injuries after inhalation: May cause respiratory tract irritation.Symptoms/injuries after skin contact: May cause skin irritation. Symptoms may include redness, drying, defatting and cracking of the skin.Symptoms/injuries after eye contact: May cause eye irritation. Symptoms may include discomfort or pain, excess blinking and tear

production, with possible redness and swelling.

: Not a normal route of exposure.

Symptoms/injuries after ingestion

#### SECTION 12: Ecological information

**12.1. Toxicity** Ecology - general

: May cause long-term adverse effects in the aquatic environment.

| 12.2. Persistence and degradability  |  |
|--------------------------------------|--|
| Gerfix Spray Adhesive                |  |
| Persistence and degradability        | Not established.                                     |
| 12.3. Bioaccumulative potential      |  |
| Gerfix Spray Adhesive                |  |
| Bioaccumulative potential            | Not established.                                     |
| 12.4. Mobility in soil               |  |
| No additional information available. |  |
| 12.5. Other adverse effects          |  |
| Effect on the global warming         | : No known ecological damage caused by this product. |

## **Gerfix Spray Adhesive**

Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012

#### SECTION 13: Disposal considerations

#### 13.1. Waste treatment methods

Waste disposal recommendations

: This material must be disposed of in accordance with all local, state, provincial, and federal regulations. Pressurized container: Do not pierce or burn, even after use.

| <b>SECTION 14: Transport information</b>             |   |
|--|---|
| In accordance with DOT                               |   |
| UN-No.(DOT)  | : UN1950  |
| Proper Shipping Name (DOT)                           | : Aerosols, non-flammable   |
| Department of Transportation (DOT) Hazard<br>Classes | : 2.2   |
| Hazard labels (DOT)                                  |   |
| Additional information                               |   |
| Other information                                    | : No supplementary information available.                                   |
| Special transport precautions                        | : Do not handle until all safety precautions have been read and understood. |
| SECTION 15: Regulatory information                   | n   |
| 15.1. US Federal regulations                         |   |

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory except for:

| 15.2. US State regulations |              |  |
|----------------------------|--------------|--|
| Gerfix Spray Adhesive      |              |  |
| State or local regulations | None         |  |
| SECTION 16: Other info     | rmation      |  |
| Date of revision           | : 04/28/2017 |  |

| Date of revision  | : | 04/28/2017 |
