DLW Linoleum, Creative by Nature

Wir bei Gerflor glauben, dass Architektur die Kraft hat, das Leben der Menschen zu verbessern. Da die Natur unsere größte Inspirationsquelle ist, bietet DLW Linoleum speziell Architekten eine Kollektion von 159 Farben mit einem natürlichen Design, um die Kreativität und Nachhaltigkeit ihrer Projekte zu unterstützen.

DLW Linoleum wird seit 1882 in Deutschland hergestellt und ist „Cradle to Cradle“ zertifiziert. Es besteht zu 98 % aus natürlichen Rohstoffen wie Leinöl, Holz, Kalkstein, Jute und Harz. Das ist unser Beitrag, Menschen mit der Natur in Einklang zu bringen.

At Gerflor, we believe that architecture has the power to improve people's lives. Nature is our greatest source of inspiration. With the DLW Linoleum offer, we can provide architects with a collection of 159 colours, these are natural designs, that can enhance the sustainability and the creativity of their projects.

Made in Germany since 1882 and certified "Cradle to Cradle", the DLW Linoleum products are made of 98% natural materials including linseed oil, wood, limestone, jute and resin. It's simply our way of connecting people closer to nature.

Chez Gerflor, nous croyons que l'architecture a le pouvoir d'améliorer nos vies. Parce que la nature est notre plus grande source d'inspiration, la collection Linoleum DLW offre aux architectes un ensemble de 159 coloris d'inspiration naturelle pour nourrir leur créativité et respecter l'environnement. Fabriqué en Allemagne depuis 1882 et certifié « Cradle to Cradle », le Linoleum DLW est composé à 98 % de matières naturelles, telles que huile de lin, poudre de bois, craie, jute ou résine. C'est notre façon de rapprocher les hommes de la nature.
