# BEYOND THE NORM

As you are unique and each of your projects represents a new challenge, Gerflor gives you the chance to stand out.

**One atmosphere, one style, one floor, but several possibilities...**

# 3 POSSIBILITIES

## 1 - COLOUR

**Set the tone** of your project by recolouring the design of your choice in our Taralay Impression range\*

\*20 designs available for colouring

## 2 - COLLECTION

**Leave a big impression on** the atmosphere that you create thanks to our **unique collection of 50 designs** that reflect the major decorative trends that are popular today.

All of our customisable designs: [myfloorbygerflor.com](http://myfloorbygerflor.com)

## 3 - CUSTOMISATION

**Enhance the visual identity** of your company or that of your clients by printing a logo and/or your own designs.

# my TARALAY IMPRESSION

**Let's bring your inspiration to life together!**

# MARCO B., Architect

"I really like the dynamic feel created by the lines in the Nest design. In order to be able to incorporate it into my plans, I asked Gerflor to change the colour."

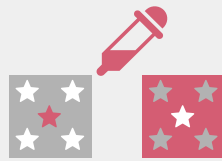

NEST

Enjoys designing **IN THE PINK...**

...while giving free rein to his **CREATIVITY!**

## 1 - COLOUR

the possibility to recolour 20 designs in the Taralay Impression range as you wish

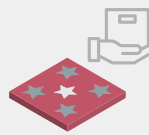

**1**

Select a design\* from the Taralay Impression range

**2**

Change the colour scheme as you wish

**3**

Receive your floor sample within 10 days of acceptance of your inquiry by Gerflor

**4**

Receive and install your customised flooring; delivery lead time: 6 weeks from receipt of your order

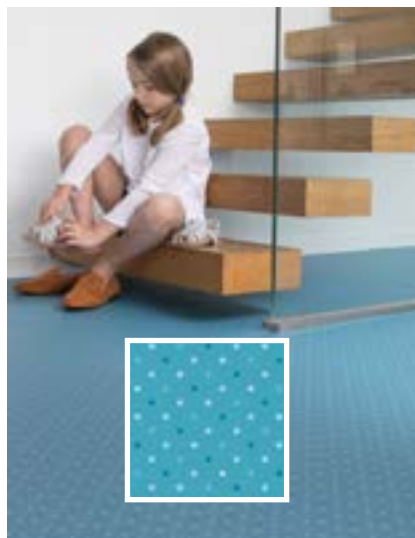

\*from among 20 eligible designs (see next page)

COLOUR

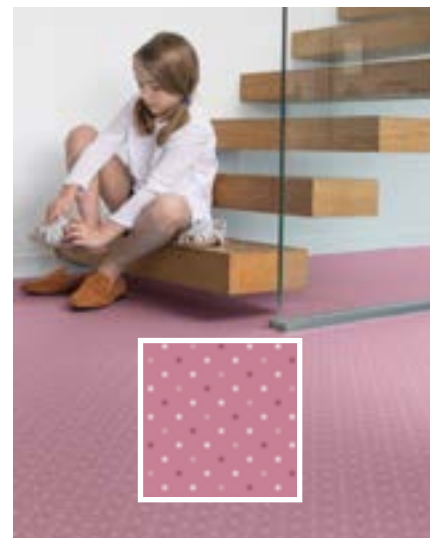

**"STAR" DESIGN -  
STANDARD COLOUR SCHEME**

**CUSTOMISED COLOUR 1**

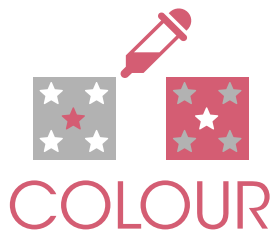

**CUSTOMISED COLOUR 2**

**Minimum order: 50 m<sup>2</sup> (special pricing system)**

**If you have any questions (pricing, feasibility, technical information), do not hesitate to contact your sales representative**

SYCAMORE

# SOPHIE A.,

Primary school head teacher

---

"Welcoming my pupils into a fun, original and warm environment every day really helps them develop! The children enjoy reading while sitting in the 'crazy field'."

CRAZY FIELD

Draws on an  
**INSPIRING ENVIRONMENT...**

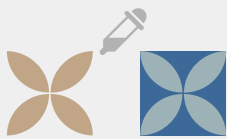

...to express **HER CREATIVITY!**

## 2 - COLLECTION

the possibility to select from among **50 exclusive designs**

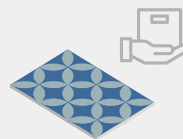

**1**

Draw inspiration from Gerflor's 50 exclusive designs and change, if you so wish, the design's colour scheme on [www.myfloorbygerflor.com](http://www.myfloorbygerflor.com)

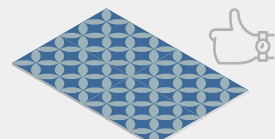

**2**

View your customised design on your computer screen before approving it

**3**

Receive your floor sample within 10 days of acceptance of your inquiry by Gerflor

**4**

Receive and install your customised flooring; delivery lead time: 6 weeks from receipt of your order

## 4 major TRENDS

### NATURE LAND

Subtle and elegant contrasts to create a gentle and peaceful atmosphere

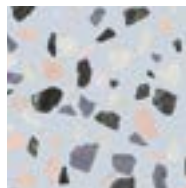

### FOLK

A bohemian and welcoming mix of styles

### FUN

An explosion of colour and patterns for fun-loving and creative people

### RETRONAUTE

An industrial look inspired by New York lofts: raw materials and sober colours

**Minimum order: 50 m<sup>2</sup> (special pricing system)**

**If you have any questions (pricing, feasibility, technical information), do not hesitate to contact your sales representative**

# NATURELAND

---

A return to basics and simplicity; these natural fibre designs create a relaxing atmosphere in which the colour green has several different tones.

Wood, minerals and air: let your projects breathe...

## TARALAY IMPRESSION

## ENDLESS

Thanks to the use of digital printing, all of our wood designs are produced in six-metre-long pieces. **The repeat pattern effect is reduced to provide an even more realistic impression!**

my TARALAY IMPRESSION

# FOLK

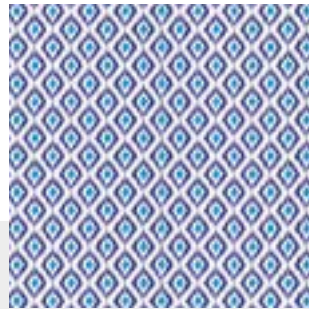

---

A touch bohemian, these designs with geometric patterns and colour schemes inspired by popular folklore, ancient cultures and encounters with people around the world invite you to travel and to get away.

Your creativity knows no bounds.

# ISABELLE L., Art gallery manager

---

"I love to be able to create and match my gallery's floor with the work on show. Visitors are fully immersed in the artist's world!"

Her motto:  
"An exhibition that is **EXCEPTIONAL...**"

...should have a floor that is also  
**EXCEPTIONAL"**

## 3 - CUSTOMISATION

the possibility to make your floor unique

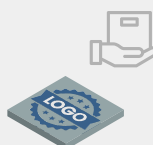

**1**

Send us your own file in accordance with the process described in our **specifications**

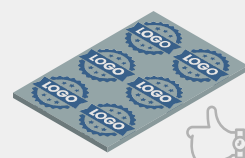

**2**

Approval by our technical team

**3**

Receive your floor sample within 10 days and before all of your floor is made

**4**

Receive and install your customised flooring; delivery lead time: 6 weeks from receipt of your order

File formats accepted

Files free from copyright only

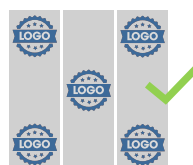

300 DPI resolution

RAL, Pantone and NCS colour reference

To enhance the visual identity of your company or that of your clients, you can have your logo printed across the width of the roll.

- No metallic ink
- No printing on a plain background
- Design only across the width (2 m)
- No continuity of designs over several rolls

Minimum order: 50 m<sup>2</sup> (special pricing system)

If you have any questions (pricing, feasibility, technical information), do not hesitate to contact your sales representative

# All of the benefits of Taralay Impression

MyTaralay Impression: construction and characteristics are identical to the Taralay Impression range

Unequaled stain resistance  
Easy clean  
Protocols 2 surface treatment  
(patented Gerflor technology)

Best indentation/acoustic performance on the market  
COMPACT: 0.03 mm / 8 dB  
COMFORT: 0.08 mm / 19 dB

Resistance to traffic &  
durable design

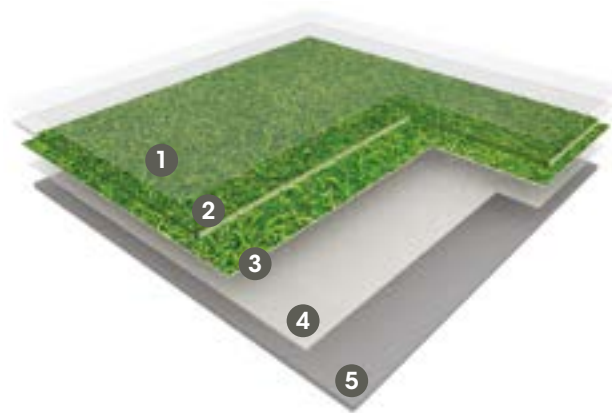

An ecologically responsible solution that contributes to air quality  
100% recyclable product  
TVOC emissions are 100 times lower than the normative requirements

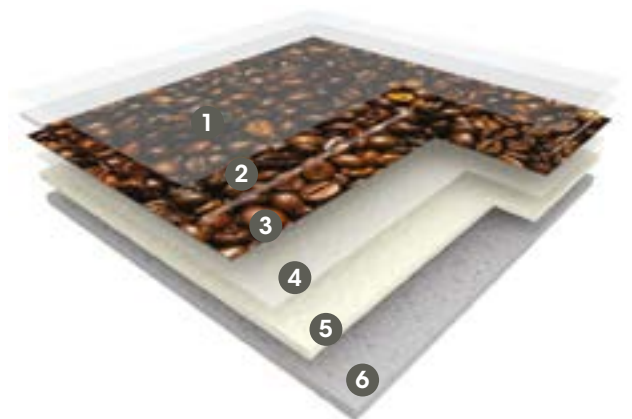

Made in France

## my TARALAY IMPRESSION COMPACT

- 1 - Protocols 2 surface treatment
- 2 - Transparent wear layer
- 3 - Printed design

## my TARALAY IMPRESSION COMFORT

- 4 - Fibreglass interlayer
- 5 - Compact backing
- 6 - Very high density PVC foam

All designs produced using digital printing have to be laid in the same direction.

**TARALAY IMPRESSION COMPACT** - The floor covering selected is a **reinforced, non-loaded, abrasion group T, multi-layer compact PVC floor covering**, in rolls with a width of two metres, of the following type, TARALAY IMPRESSION COMPACT 33-43 (0.7 mm of wear layer). It provides **excellent resistance to indentation after static loading (0.03 mm) and sound insulation of 8 dB**.

**TARALAY IMPRESSION COMFORT** - The floor covering selected is a **multi-layer soundproof, reinforced, non-loaded, abrasion group T, PVC floor covering on a foam underlay**, in rolls with a width of two metres, of the following type, TARALAY IMPRESSION COMFORT 33-43 (0.65 mm of wear layer). **Reinforced by a VHD foam**, it provides **excellent resistance to indentation after static loading (0.08 mm) and sound insulation of 19 dB**.

**TARALAY IMPRESSION COMPACT & TARALAY IMPRESSION COMFORT** - are made of mineral materials (27%) and renewable materials (26%). They are free from formaldehyde, heavy metals, CMR 1 & 2, vPvB (very persistent and very bio-accumulative) and PBT (persistent, bio-accumulative and toxic) substances; GERFLOR products therefore comply with REACH. The TVOC emission level after 28 days (NF EN 16000) of the covering selected will be **< 10 µg / m³** and is classified A+ (best class) as per health safety labelling. It is 100% recyclable and laying offcuts can be collected and recycled via Gerflor's Second Life Programme. They benefit from **Protecsol® 2** surface treatment obtained by UV-laser cross-linking, thereby facilitating floor care and resistance to stains made by products such as Betadine and eosin (aqueous and alcoholic), hydro-alcoholic solutions or markers. **They remove the need for any self-shine treatment or spray-based care during the entire lifetime of the product.**

**TARALAY IMPRESSION COMPACT and TARALAY IMPRESSION COMFORT are certified QB UPEC A+ : U3P3E2/3C2 or U4P3E2/3C2.**

**TARALAY IMPRESSION COMPACT PLUS** - The floor covering selected is a **reinforced, non-loaded, abrasion group T, multi-layer compact PVC floor covering**, in rolls with a width of two metres, of the following type, TARALAY IMPRESSION COMPACT PLUS 43. It has a wear layer of 0.9 mm. It provides **excellent resistance to indentation after static loading (0.03 mm) and sound insulation of 8 dB**.

It is made of mineral materials (27%) and renewable materials (26%). It will be free from formaldehyde, heavy metals, CMR 1 & 2, vPvB (very persistent and very bio-accumulative) and PBT (persistent, bio-accumulative and toxic) substances; GERFLOR products therefore comply with REACH. The TVOC emission level after 28 days (NF EN 16000) of the covering selected will be **< 10 µg / m³** and will be classified A+ (best class) as per health safety labelling. It is 100% recyclable and laying offcuts can be collected and recycled via Gerflor's Second Life Programme. It benefits from **Protecsol® 2** surface treatment obtained by UV-laser cross-linking, thereby facilitating floor care and resistance to stains made by products such as Betadine and eosin (aqueous and alcoholic), hydro-alcoholic solutions or markers. **It removes the need for any self-shine treatment or spray-based care during the entire lifetime of the product.**

**TARALAY IMPRESSION COMPACT is certified NF UPEC : U3P3E2/3C2 or U4P3E2/3C2.**

Avoid any items or parts of items made of rubber liable to come into direct contact with our coverings (chair tips, furniture, etc.) and only use PVC or Polyethylene tips. In the case of Protecsol® and/or PROTECSOL® 2 materials, never use abrasive disks (green, brown or black) or any procedure that risks damaging the surface treatment (abrasive products, solvents, etc.). **Detailed installation guidelines, accessories (profiles, skirting) and cleaning instructions: available on request.**

The information in this document is valid from 01/10/2018 and is subject to change without prior notice. In the face of continuous technical improvements, before starting any work, our customers should check with us that this document is still in force.

\* Information about the emission level of volatile substances in indoor air, involving a toxic risk by inhalation, on a scale from A+ (very low emissions) to C (high emissions)

## GERFLOR, ECO-RESPONSIBLE SOLUTIONS

**COMPOSITION**  
100% REACH compliant  
FREE of formaldehyde  
FREE of heavy metals  
FREE of solvent

**RECYCLED CONTENT**  
25% average recycled content  
100% REACH compliant recycled content

**RECYCLABILITY**  
100% recyclable product

**INDOOR AIR QUALITY**  
TVOC emissions between 10 and 100 times better than norms requirements  
Floorscore certified  
No formaldehyde emission

**INSTALLATION**  
Innovative adhesive free installation systems

**LCA**  
- Eco-designed according to a product specific Life Cycle Analysis  
- Product specific EPD (Environmental Products Declaration) available  
- Manufactured in an Iso 14001 and Iso 50001 certified site  
- Contribution to many Green Building Schemes (LEED, HQE, BREEAM...)

**WELLNESS**  
Health: Antibacterial activity (inhibits growth > 99%)  
Safety: Anti slip performance  
Comfort: Walking comfort and impact noise reduction
