CAREZONE

Carezone is an Aquabac carpet range that offers a modern design in a choice of neutral and muted colourways that can be used to create comforting and calming spaces. Featuring a cut pile design for bedrooms and living areas, and a textured loop pile for circulation and corridors, Carezone features an anti-microbial treatment providing an ideal solution for care homes, care facilities and residential living.

CONTENTS

Colourways	1
Communal Area	2-3
Floor Plan	4-5
Bedroom & Bathroom	6-7
Floor Plan	8-9

The Dementia Services Development Centre at the University of Stirling have undertaken a review of the Carezone range and have rated its design in relation to dementia design principles and its usability within a dementia-inclusive environment.

All Carezone colours are rated as Class 1a and are suitable for use in dementia applications. For an environment to be considered 'dementia-inclusive' careful consideration must be given to the specification of adjacent finishes with a maximum contrast of 10 points LRV between adjacent floor surfaces.

CUT PILE

Warm Sandstone Cut Pile
07121 LRV 23.00
